## DEDICATION

TO

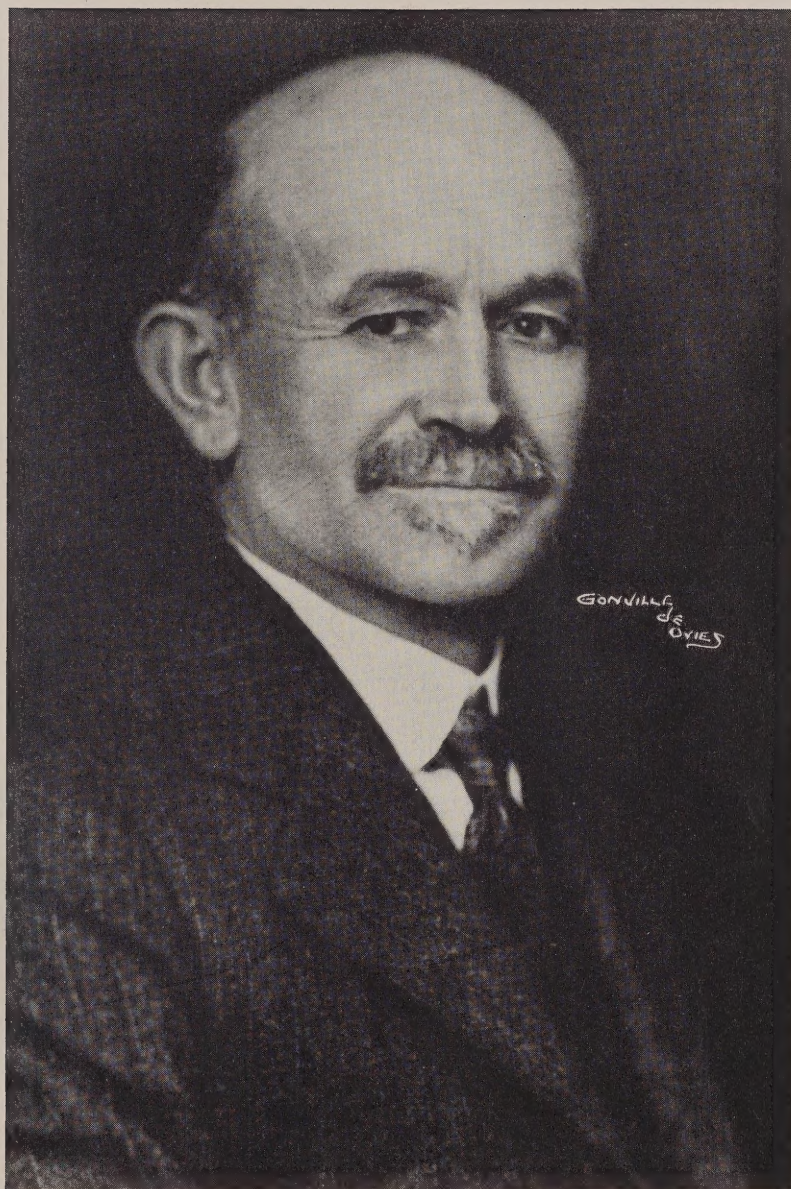

THOMAS EARLY WHITAKER

EXECUTIVE, TEACHER, LEGISLATOR, PATRIOT, LOVER OF HIS  
FELLOW MEN, THIS BOOK IS LOVINGLY DEDICATED

*For forty years the story of his efforts and achievements was recorded in the history of Oak Ridge Military Institute. After long service as a teacher, he came, in 1914, to the presidency of the school. Its buildings and equipment consisted mainly of a heap of smoking ashes. Upon the ruins he built the splendid school plant which constitutes his monument. While his achievement in restoring wasted buildings and providing spacious grounds, as a necessary means, was very great, it is in his high conception of human values, in his passion for the saving of lives and all that is fine and noble in them, in the character and performances of his students—in the building of men—that his permanent greatness resides.*

## SENIORS

# DRESS PARADE

P. L. WORLEY

ASHEVILLE, N. C.

*Scientific Course*

Private, Company B; Athenian; Basketball; Baseball; Monogram Club; German Club. Paul spent a year at Georgia Military Academy before coming with us. He lived up to his reputation as a basketball player, and he knows how to get around on the diamond. Good-bye and good luck, Paul, we are with you.

H. J. ISENHOWER

CONOVER, N. C.

*Scientific Course*

Private, Company A; no demerits; Philomathean. Horace came from Concordia College, where he spent a great deal of his time wooing the sweet co-eds. (Beg your pardon, Horace, we had forgotten about the little girl you left behind.) One thing more in this limited space: Horace works hard and will make good, we feel assured.

A. B. JOYNER

GREENSBORO, N. C.

*Classical Course*

Corporal, Company A; Philomathean; German Club. "Abie" is one of the best debaters in our school, and a mighty fine fellow, too. Intelligent, handsome and likeable, "Abie" has won a place in the hearts of all his fellow classmates. Oak Ridge will surely miss him. (So will the "chain-gang.")

# DRESS PARADE

L. S. PIERCE

SPENCER, N. C.

*Commercial Education Course*

Captain, Company B; Athenian; Football; Tennis; Basketball; Baseball; Monogram Club; German Club; Rifle Team. "Skinny" is the luckiest boy on the campus and one of the most popular. He makes good in everything he tries and we believe he always will. Good luck!

W. P. STOCKARD

GREENSBORO, N. C.

*Scientific Course*

Corporal, Company B; Philomathean; German Club. The girls in Greensboro have been trying to get "Ossie" back home since he first came here. Oh, for his powers with the weaker sex, what wouldn't we give? There can be no doubt about the fact that his wavy blond hair is a big factor in his successes.

W. H. STONE

HENDERSON, N. C.

*Commercial Education Course*

Private, Company B; Philomathean; Rifle Team; German Club. Walter comes to us from Henderson and doesn't care who knows it. His ability to use a rifle leads us to believe that Henderson is a second Chicago, and according to the girls at N.C.C.W., it is also a second Hollywood.

# DRESS PARADE

J. E. DANIEL

OXFORD, N. C.

*Classical Course*

Private, Company A; Philomathean. James is a quiet lad and seldom does one know he is near; but, you know, still water runs deep. He has a wonderful habit of meeting all formations, therefore his face is seldom seen on the "bull-ring." Keep up the good work, boy, we're all with you.

S. F. HOGGARD

COLERAIN, N. C.

*Commercial Education Course*

Sergeant, Company A; Baseball; Rifle Team; Philomathean; Monogram Club; no demerits. "Slim" is "one of the best," also one of our best baseball twirlers. He is a competent lad, and keeps well up in all his school work. Quite studious indeed. We wish to call attention to his demerits—he hasn't any.

C. G. DANIEL, JR.

OXFORD, N. C.

*Scientific Course*

Private, Company A; Philomathean. Daniel is a very quiet, industrious young fellow. Once you know him, you know a friend. We all know that success is just ahead for him. Carolina will be his hobby for the next four years.

# DRESS PARADE

P. A. SMALL

CHARLOTTE, N. C.

*Commercial Education Course*

Private, Band; Philomathean; Orchestra Director; German Club. "Music hath charms to soothe the savage animal," but if an animal ever listened to "Sammy" toot his "sax" he'll go wilder still. "Sammy" and his orchestra are a knockout. And how!

R. F. COLEY

RALEIGH, N. C.

*Scientific Course*

Sergeant, Company A; Athenian; Boxing; Term Honor Roll. "Flay" is a capital city lad and has a fine record at O.R.M.I. He is long, tall, and handsome, and hopes some day to be a screen star. His society work has been outstanding. His class work is always excellent.

J. S. PEELER

SALISBURY, N. C.

*Scientific Course*

Sergeant, Company B; Athenian; no demerits. John came to Oak Ridge in the fall of '27. He has shown us by his clean "demerit" record that he can do what is expected of him at all times. During his time here, John has taken a great deal of interest in his society and studies. Wherever John goes next year we are sure his school will be proud to have him.

# DRESS PARADE

C. A. SLAYDON  
MARTINSVILLE, VA.  
*Scientific Course*

Private, Company B; Athenian; Football; Wrestling; Monogram Club. Claude played tackle in football, and was our heavyweight wrestler. He's six feet plus of real he-man, a good student and a good soldier. We'll sure miss him next year.

C. S. AKERS  
LINCOLNTON, N. C.  
*Commercial Education Course*

Private, Band; Athenian; German Club; Term Honor Roll. Scott came to us from D.M.I., but he has outlived the effects of it. Scott is a good boy, but he does love a good meal and a "bull-session." He left an excellent record in track at D.M.I.

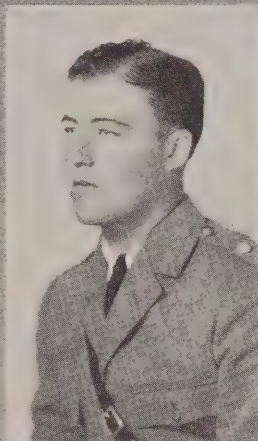

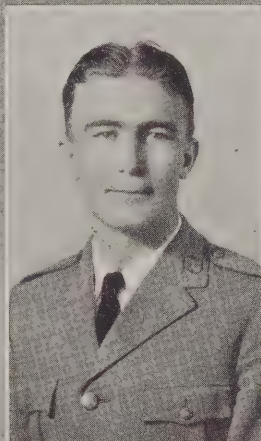

G. L. GEORGE  
SHELBY, N. C.  
*Scientific Course*

Private, Company A; Athenian; German Club. "Cuz" hails from Shelby, where he is well known and a beloved citizen. At Oak Ridge he has earned a name for himself that will be remembered by all of us. George's many pilgrimages to Greensboro lead us to believe that N.C.C.W. craves him, so look out, Duke co-eds.

# DRESS PARADE

F. W. TYSON

DURHAM, N. C.

*Commercial Education Course*

Private, Company B; Athenian; Football; Baseball; Monogram Club. Durham lost a great football player when "Bulldog" decided to cast his lot with Oak Ridge. We can add that his ability on the diamond is not to be passed up lightly. Best of luck to you, Fred.

R. A. McDADE

LENOIR, N. C.

*Commercial Education Course*

Second Lieutenant, Company A; Athenian; German Club; Officers Club; Football; Baseball; Rifle Team. Roy was one of the best liked boys in school. Being captain of the football team, he inspired them to a great success. "Boy, if you don't die from lack of sleep you will be a success."

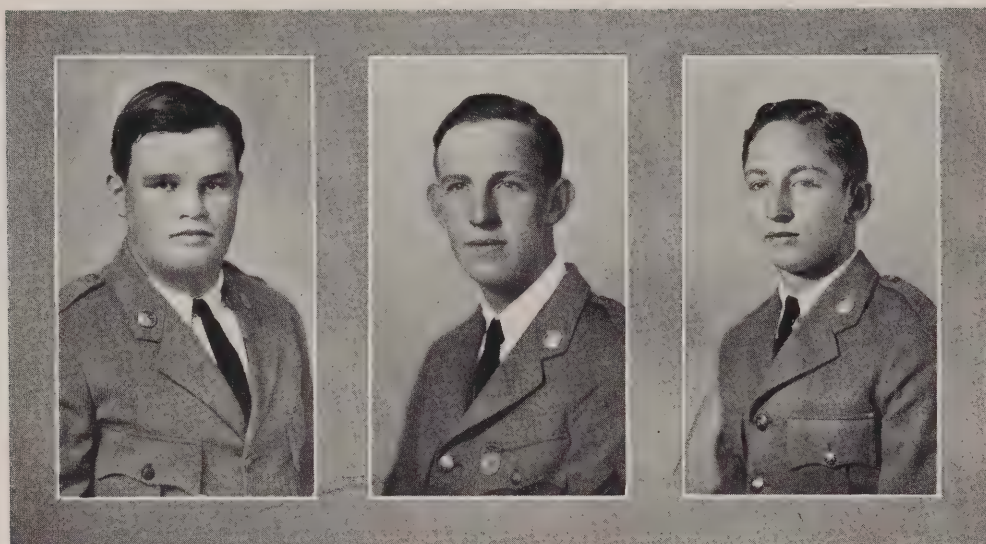

E. T. ALLMOND

NEWPORT NEWS, VA.

*Scientific Course*

Private, Company A; Athenian; Football; Basketball; Baseball; Monogram Club. "Cootie" is another good athlete from Newport News. We will miss him next year, too. He played for four years at home before he came here, and he has made good both places. Keep going, "Cootie."

# DRESS PARADE

J. C. McCAMPBELL

MORGANTON, N. C.

*Scientific Course*

Corporal, Band; Philomathean; German Club. John is one of our biggest men. He came to us from the state institution at Morganton, of which his father is superintendent, with the ambition to make good grades and to be a friend. He did both with the greatest of success. Carolina's gain, our loss.

W. C. HINSON, JR.

CHARLOTTE, N. C.

*Scientific Course*

Private, Company A; Philomathean; German Club; Football; Marshal. "Rah, Rah" came to Oak Ridge last fall and leaves this spring. Although we hate to see him leave, we are glad that he is making good (with the girls). His skill with the girls is most astonishing to his friends.

E. C. LAND, JR.

GREENSBORO, N. C.

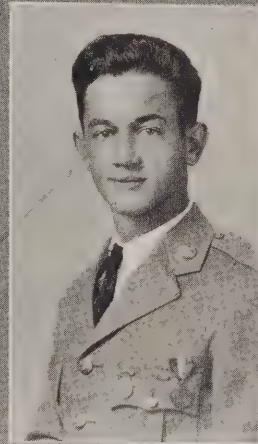

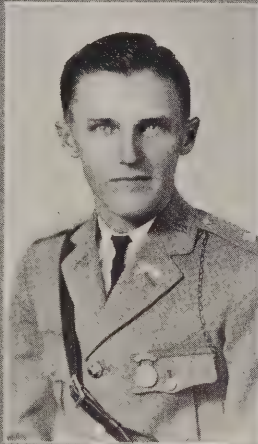

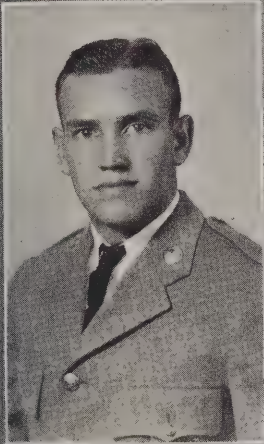

*Scientific Course*

First Sergeant, Company B; Philomathean; German Club; Monogram Club; Tennis; Dress Parade Staff. "Champ" is an elongated fellow with a head chuck full of sense, and he sure knows how to stretch himself over a tennis court. Campus life without him would surely have been lacking in gaiety. He's a fellow really worth knowing.

# DRESS PARADE

G. H. SHELBY

CHARLOTTE, N. C.

*Commercial Education Course*

Private, Company B; Philomathean; Football; Baseball; Monogram Club. "Pea Head" displayed his ability as a football player and landed a berth on the team. As a geometry student he has no equal. "Pea Head" says he doesn't have to prove a proposition, because the book says it's right.

WM. A. BURNETTE, JR.

BLACK MOUNTAIN, N. C.

*Scientific Course*

Private, first class, Company A; Philomathean; Wrestling; Rifle Team. "Bill" is from "The Land of the Sky" and is proud of the fact. He possesses a keen sense of humor and a sharp wit. In the classroom he has earned distinction. Success is just ahead, Bill.

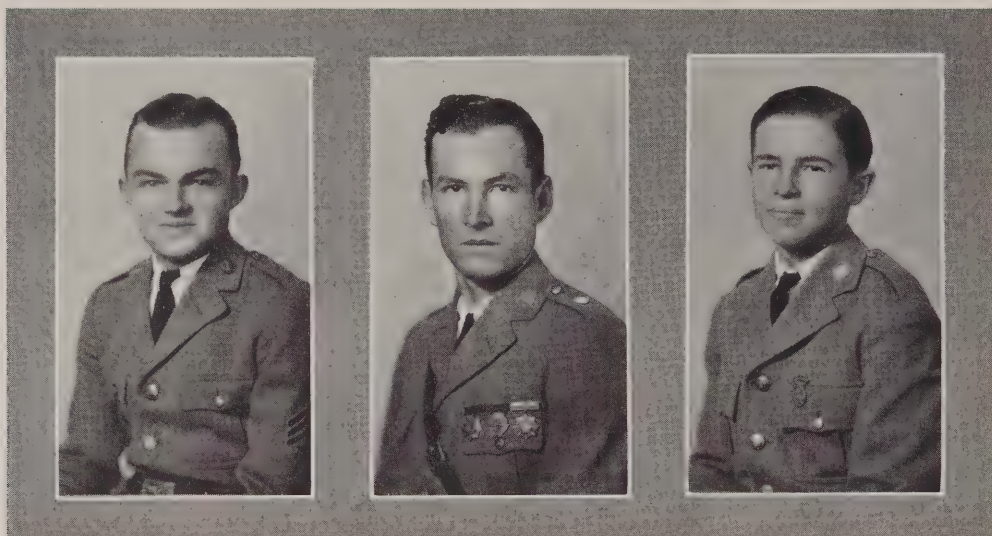

W. H. DIXON, JR.

KINSTON, N. C.

*Commercial Education Course*

Cadet Major; Philomathean; German Club; Dress Parade Staff; President Senior Class; President Athletic Association. "Bill" is an old timer, having been here for four years, rising from sergeant to cadet major in two years. He is one of the best liked boys on the Ridge, despite his rank.

# DRESS PARADE

W. R. WILLIS  
WASHINGTON, N. C.  
*Scientific Course*

Private, first class, Company A; Athenian. "Pete" has been with us for three years. He has been very popular, especially with the ladies. He's the man that makes the "sick report" famous, but we have every reason to believe that he will have a successful future.

H. B. HIATT, JR.  
HIGH POINT, N. C.  
*Scientific Course*

Corporal, Company A; Philomathean; German Club; Advertising Manager Dress Parade; Term Honor Roll; Tennis; Laboratory Assistant. Houston has been very active in the German Club and Philomathean Society, being well known in the latter as a competent debater. We predict for him a great success.

L. W. TOWNSEND  
LUMBERTON, N. C.  
*Scientific Course*

First Lieutenant, Company A; Philomathean; Officers Club; Rifle Team; German Club; Potter Marksmanship Medal. "Treepy's" power over the ladies is quite as deadly as his ability with a rifle. We will miss "Treepy."

# DRESS PARADE

W. V. PORTER

CHARLOTTE, N. C.

*Commercial Education Course*

Private, Company B; Football; Boxing; Rifle Team; German Club. "Hickory-Head" is one of the best looking, most charming, and other adjectives too numerous to mention. His line with the ladies is a sure fire proposition. Here's to more and better looking conquests, "Bill."

C. H. MOYE

FARMVILLE, N. C.

*Scientific Course*

Private, Company B; Philomathean. Clarence is a big tobacco curing man from Farmville, N. C., and the school feels highly honored in having such an earnest student on its roll. Clarence has picked State College as his destination next year, but he declares that wherever he is, his heart will be at O.R.M.I.

L. N. SATTERFIELD

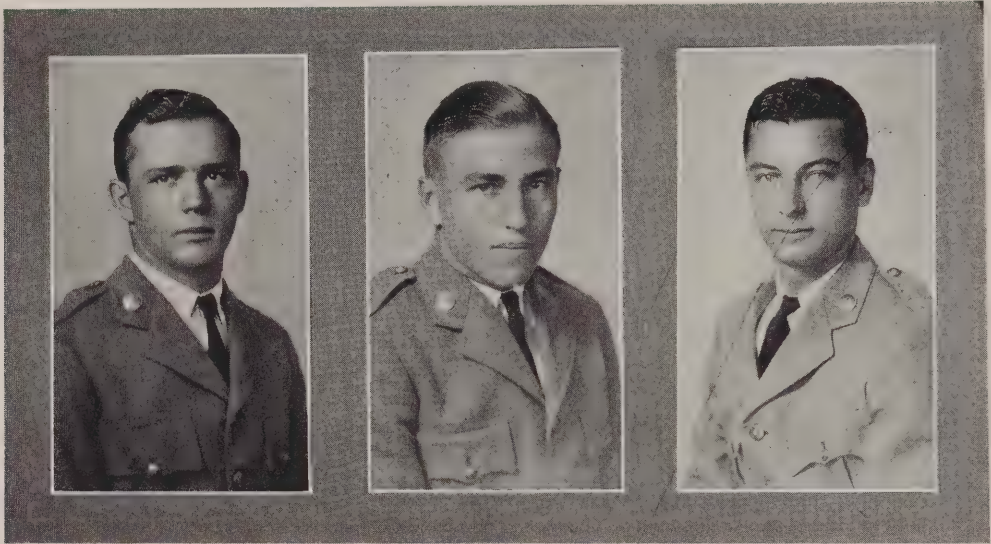

FAIRMONT, W. VA.

*Scientific Course*

Private, Company B; Philomathean; Football; Basketball; Monogram Club; German Club. "Wart" is truly proud that he is a "mountaineer." However, he knows a good state and a good school when he sees it. Lee knows his onions on a basketball court, and he certainly fears the "chain-gang," because he hasn't had a demerit yet.

# DRESS PARADE

E. T. SMITH

AYDEN, N. C.

*Scientific Course*

Private, Company B; Philomathean; Football; German Club. "Gene" is a stocky built lad, and is a man through and through. He takes everything as it comes, and is never seen without a smile on his countenance. His head is adorned with curls and young ladies fall before his charms.

C. R. COPELAND

SUNBURY, N. C.

*Commercial Education Course*

Corporal, Company A; Athenian; Football; German Club. "Cope's" good nature has caused him to gain many friends here at Oak Ridge. "Cope," we are all hoping that some day she will decide that you are the right one. Oak Ridge will surely miss his services on the football squad.

W. G. RAGSDALE, JR.

JAMESTOWN, N. C.

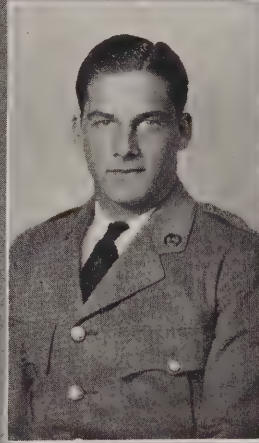

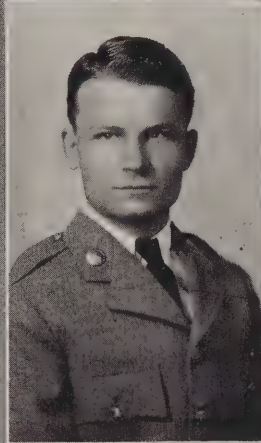

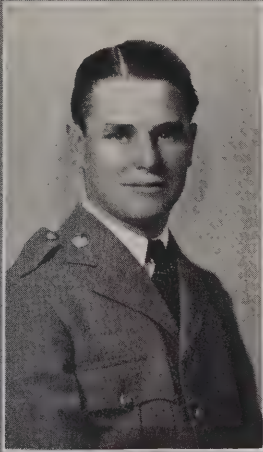

*Commercial Education Course*

Private, Company B; Philomathean; German Club; Football. "Rags" is a big boy from a small town, with a good athletic record behind him. "Bill" had more women on the string than any boy in school. We are expecting "Bill" to live up to the old Oak Ridge reputation.

# DRESS PARADE

J. E. FOUNTAIN

TARBORO, N. C.

*Commercial Education Course*

Corporal, Company B; Philomathean; German Club. Fountain is the guy who put Tarboro on the map. His success is an unquestionable prediction, for he once said: "From the day you're born till the day you ride in a hearse, there's nothing so bad that it couldn't be worse."

S. M. CHANDLER

DURHAM, N. C.

*Scientific Course*

Private, Company A; Athenian; Football; Basketball; Baseball; Monogram Club; German Club. "Chesty" comes to O.R.M.I. from Bingham Military School, bringing us all his athletic ability. Is he handsome? (And how?) "A lion among the ladies is a terrible thing."

B. BLACK

BURLINGTON, N. C.

*Scientific Course*

Private, Band; Philomathean; German Club. "Bennie" is noted for tooting the "sax" and therefore he made the band without any trouble. It is believed that "Bennie" has the largest collection of young ladies' pictures in school, and we judge from this fact that he is their weakness. Here's luck to you, boy!

# DRESS PARADE

F. R. EVERETT

CONETOE, N. C.

*Commercial Education Course*

Second Lieutenant, Company B; Athenian; Rifle Team; Monogram Club; Officers Club; Term Honor Roll. Frank is one of our best boys; he has a good record in everything he has tried; he has an Expert Rifleman's Medal (and has several others too). We don't know where he will be next year, but we expect big things.

W. A. HINES, JR.

GREENSBORO, N. C.

*Commercial Education Course*

Staff Sergeant; Philomathean; German Club. "B. Hines" came to us from Greensboro High School. His winning personality and keen sense of humor have made him very popular among the boys, his instructors, and the ladies. We think of Hines as Tom Carr, Sid Smith's star character in the comics.

W. B. RIDENHOUR

GREENSBORO, N. C.

*Scientific Course*

Private, Company B; Football; Tennis; Philomathean; German Club. "Billy" is one of the biggest lady killers on the Ridge. He specializes in cute blondes, but he can conquer any of them. His glory shines forth in his "cits" clothes. He designs them himself. But he sure does know his French.

# DRESS PARADE

W. C. PHILLIPS, JR.

HIGH POINT, N. C.

*Commercial Education Course*

Private, Band; Philomathean; German Club; Dress Parade Staff. "Goof" has led a sort of nomadic life, having lived in Charlotte, High Point and other towns. His being able to sling a mean saxophone landed him in our fine orchestra, and all of us are sure that he will make a success in everything that he attempts.

O. M. WINFIELD, JR.

WASHINGTON, N. C.

*Scientific Course*

Drum Major; Athenian; Term Honor Roll. "Skinny" is literally one of the biggest men on the campus, mentally and physically. He occupies a large place in any crowd. "Skinny" is a friend to everyone on the campus and his cheery smiles brighten the school considerably. He's a big fellow with a big heart of gold.

S. J. MARLEY, JR.

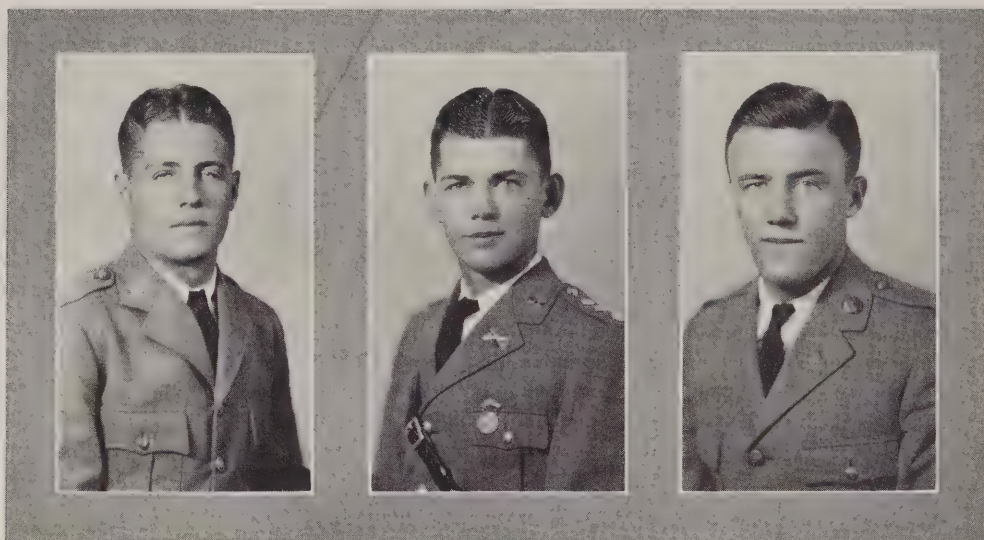

GREENSBORO, N. C.

*Commercial Education Course*

Captain, Company B; Philomathean; Vice-President of German Club; Officers Club. "Sam" came to us from Greensboro four years ago. He has achieved many honors since he has been on the Ridge, and every one says that Sam is bound to make good. Ladies!

# DRESS PARADE

R. O. WILSON

MONROE, N. C.

*Commercial Education Course*

Private, Company B; Athenian; Football. Raymond is one of Monroe's sons of whom she has every reason to be proud. This year was Ray's first and last year at the Ridge, but he has set a standard for other Monroe boys to live up to at O.R.M.I. Just go to Kernersville and ask who God's gift to women is!

D. C. GIMPEL

NEWPORT NEWS, VA.

*Scientific Course*

Private, Company A; Athenian; Football; Monogram Club; Basketball; Baseball. "Dunc" is "some" athlete, having a good previous record. Some lucky college will be glad to get him next year. Our loss, their gain. It is a terrible pity "Dunc" can't have his legs straightened for height.

W. F. SHEEP

ELIZABETH CITY, N. C.

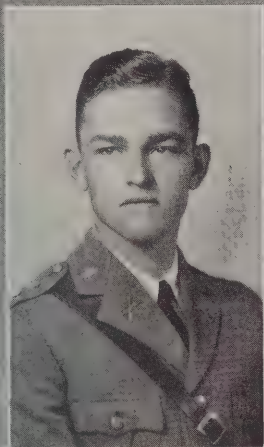

*Commercial Education Course*

Captain, Band; Athenian; Manager Athletic Association; President of German Club; Monogram Club; Officers Club. Wesley has been with us for three years and has done well, as you no doubt can see. Sheep has one (or should we say many) great weakness, that is, the fairer sex.

# DRESS PARADE

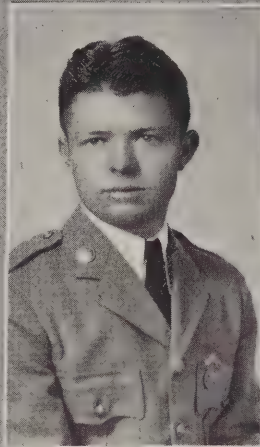

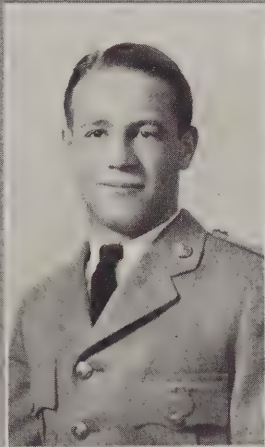

G. M. SCOTT, JR.

FAYETTEVILLE, N. C.

*Scientific Course*

Battalion Adjutant; Philomathean; Officers Club; German Club; Manager Orchestra; Dress Parade Staff. "Jugs" tells us he comes from Fayetteville, but we wonder why he spends so much time in Greensboro. We certainly admire his taste and wish him success.

N. R. YOUNG

ANGIER, N. C.

*Scientific Course*

Private, Company B; Athenian. "Stubby" is one of our short boys and holds a high place in the "peanut squad." He is of a jolly nature, and his laugh can be heard almost anywhere on the campus. He goes to Greensboro a great deal and we wonder who she is.

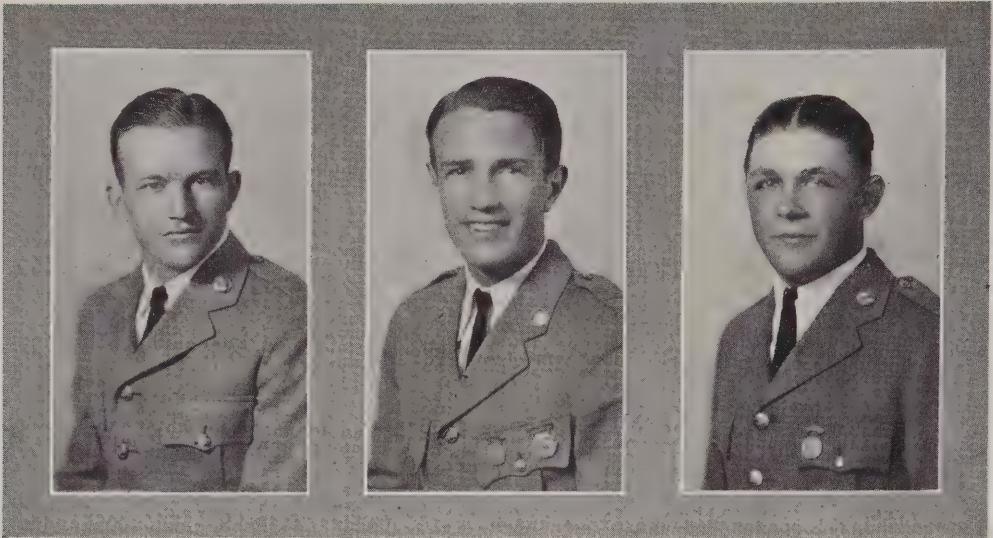

E. O. WRIGHT

FAIRMONT, W. VA.

*Scientific Course*

Private, Company B; Philomathean; Football; Rifle Team; Wrestling; Dress Parade Staff; Monogram Club. "Gene" is a true mountaineer and proud of it. As center on the football team, he was a "hot shot" and gave his opponents a good deal of trouble. It is a delight to hear his wisecracks on all occasions.

# DRESS PARADE

F. L. ROBINSON

CHARLOTTE, N. C.

*Commercial Education Course*

Private, Company B; Athenian; Football; Baseball; Monogram Club; German Club. "Perk" is one of Charlotte's favorite sons. He has been here for only one year, but O that year! "Perk" has made many friends during this year who will not forget him.

W. S. YOUNT

NEWTON, N. C.

*Scientific Course*

Private, Company B; Athenian; no demerits. Sidney came to O.R.M.I. from Newton High, where he had a wonderful record, and he is making a still better record here. Wherever he goes next year he'll be a credit to himself and to the school. We're betting on his success, too!

R. W. LEWIS

GREENSBORO, N. C.

*Commercial Education Course*

Color Sergeant; Philomathean; Boxing; Rifle Team. "Dizzy" comes from the city of beautiful girls, Greensboro, and he is proud of the fact. His wisecracks are always refreshing and they leave us to believe he has some hidden talent. Come on, Roger old boy, bring it to the surface; we are with you.

# DRESS PARADE

W. RIDENHOUR

GREENSBORO, N. C.

*Commercial Education Course*

Captain, Band; German Club; Philomathean; Orchestra. "Mutt" spends most of his time in Greensboro, but wherever he is, his mind is at O.R.M.I. He and his trumpet put a lot of "pep" in our band and orchestra. O.R.M.I. will surely feel his loss.

D. P. HENRY

NEW BERN, N. C.

*Commercial Education Course*

Second Lieutenant, Company A; Football; Basketball; German Club; Monogram Club; Officers Club; President Athenian Society; Dress Parade Staff. "Stud's" life here has been nothing short of phenomenal, and many honors have been placed upon his trustworthy shoulders.

R. E. SHERVETTE, JR.

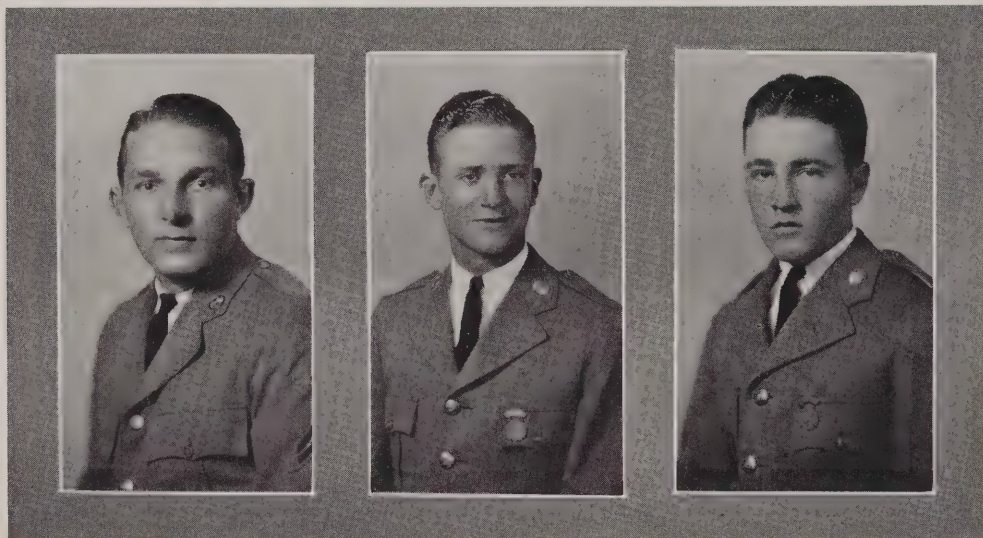

ENFIELD, N. C.

*Commercial Education Course*

Sergeant, Company B; Philomathean; German Club. "Buck" is a loyal son of Enfield and takes pride in his town. He is one of our greatest sheiks and an official admirer of all young ladies. He will doubtless write a book some day on "My Interpretation of the Mystery that is Woman."

# DRESS PARADE

C. L. NEELY

STATESVILLE, N. C.

*Scientific Course*

Corporal, Company B; German Club; Orchestra; Football; Monogram Club; Athenian. Charlie is a big, fast fellow and he does things in a big way, especially on the gridiron. As a football guard he was nothing less than a giant, but his ability is not limited to that alone.

L. M. GARRISON

EASLY, S. C.

*Scientific Course*

Private, Company A; Athenian; Dress Parade Staff; no demerits. "Bozo" is one of the so-called "ideal type" of student. He is a quiet, even-tempered boy, with a saving sense of humor, and will do anything for anybody, which makes him very popular. Washington and Lee is the gainer and Oak Ridge the loser next year.

J. S. KITTRELL

CORAPEAKE, N. C.

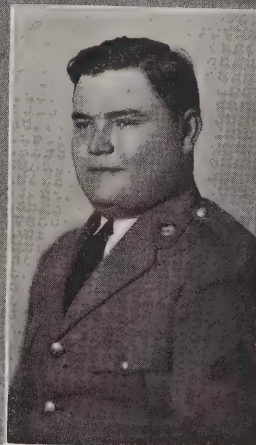

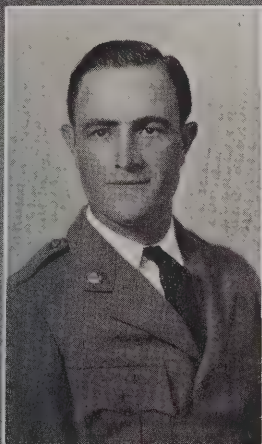

*Scientific Course*

Private, Company A; Philomathean; Wrestling Team. "Kitt" came here from the little town of Corapeake. The town was absolutely too small to hold a boy with as big a brain as he has. We regret very much that one year is all you are to be here.

# DRESS PARADE

T. B. FAULKNER

RED OAK, N. C.

*Commercial Education Course*

Sergeant, Company A; Athenian; Basketball; Baseball; Monogram Club. "Doe" is known for his athletic ability. In baseball they don't hit them too high or too far for him. The "Rats" say that this Red Oak guy swings a wicked paddle. To the ladies he is a heartbreaker of the nth degree.

J. M. BONE

NASHVILLE, N. C.

*Commercial Education Course*

Corporal, Company A; Philomathean. "Patty" has been with us for three years. He is one of the "big boys" of the campus; as bouncer of the German Club, he has been a bouncing success. His work as corporal of the first squad is outstanding. We predict for him a "slow but sure" success.

W. S. RUSSELL

SANFORD, N. C.

*Scientific Course*

Sergeant, Company B; Athenian. "Silo" is a Sanford local boy making good as a student and "kaydet." There's a saying going round, and we're beginning to believe it's true, that Bill is the hottest "Sarg" who ever struck these parts. Bill's highest ambition is to become one of these good "ole" eastern Carolina farmers. How's crops, Silo?

# DRESS PARADE

R. F. BRENDLE

OAK RIDGE, N. C.

*Commercial Education Course*

Sergeant, Band; Chief Marshal; won Cone, Nance, and Brooks Medals; Term Honor Roll. We are firmly convinced that Russell is a whacking good orator, inasmuch as he took off nearly every medal last year for the Philomatheans. Russell is conscientious and will make good anywhere.

T. M. COOPER

ENFIELD, N. C.

*Scientific Course*

Ordnance Officer; Philomathean; German Club; Officers Club; Dress Parade Staff. "Beef" hails from an eastern Carolina town. He is one of O.R.M.I.'s leading military men. Ladies, "Beef" is another heartbreaker. All the Greensboro dames know him. Matrimony? Yes, or no?

J. D. ABERNATHY

STATESVILLE, N. C.

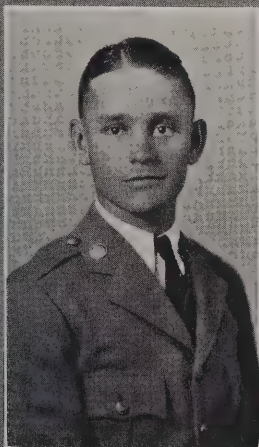

*Commercial Education Course*

First Lieutenant, Company B; Athenian; Football; Basketball; Baseball; Treasurer Athletic Association; German Club; Monogram Club; Officers Club. "Speed" is a very athletic young man and has brought fame to O.R.M.I. His speed is not limited to athletics, but takes in the fairer sex also.

# DRESS PARADE

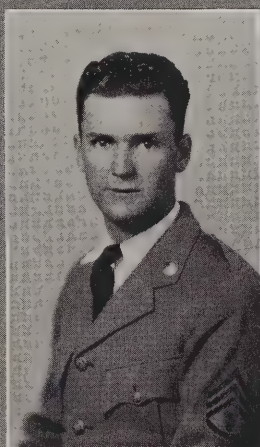

A. Y. SHAW

GUILFORD, N. C.

*Commercial Education Course*

Private, Company B; Athenian; no demerits; Boxing; Baseball; Monogram Club. "Shucks" comes from Guilford, but that does not seem to affect him. O.R.M.I. would surely be at a loss without him. In boxing he wields a mighty left, but his favorite pastime is back-stopping on the ball diamond.

C. R. COBLE

BURLINGTON, N. C.

*Commercial Education Course*

Sergeant, Band; Philomathean. Charlie comes to us from Burlington, the "Bigger and Better Town," and he surely is a live wire booster of a lively little city. Charlie is a hard worker and an efficient one. His success is only a matter of a very short time.

A. E. TURNER

SCOTLAND NECK, N. C.

*Commercial Education Course*

Top Sergeant, Band; Athenian; German Club. Amazon is drummer in the band, and "some" drummer he is, too. The German Club and the Athenian Society will miss him next year, but we know that he will make good, no matter where he is. There is a rumor afloat that he is a French student.

# DRESS PARADE

J. E. SENTER

LINCOLNTON, N. C.

*Commercial Education Course*

Sergeant, Company B; Athenian; Wrestling. "Halfy" rose to fame as a biscuit pusher in the renowned Hotel Hash-house. We will miss him next year and so will the skirts of N.C.C.W., but "Halfy" says there will be others wherever he goes. Good luck to you, John!

R. J. LEWIS

MOREHEAD CITY, N. C.

*Scientific Course*

Drum Major; Athenian; German Club. "Big Lewis" came to us from Morehead City, the land of handsome life guards, which reminds us, by the way, that he was one. His many talks of Morehead keep us all interested and lead us to believe that it is a wonderful place. Good-bye and good luck, Raymond.

ARCHIE BEVILL

GREENSBORO, N. C.

*Commercial Education Course*

Private, Company A; Philomathean; Secretary and Treasurer of German Club. "Rudy" is another Greensboro representative who brightens our midst. He is doing wonders in working out relief for the tired members of the "chain-gang." Rudy, we hate to lose you.

# DRESS PARADE

O. K. LA ROQUE, JR.

RALEIGH, N. C.

*Scientific Course*

Private, Company B; Philomathean; German Club; Term Honor Roll. "Okay's" home is now in Raleigh, but he came to the Ridge from Marion, S. C. He is very studious, and has earned his place among the honor students. Oak Ridge wishes you much success at Carolina.

C. M. McCRARY

LEXINGTON, N. C.

*Commercial Education Course*

Private, Company B; Athenian; Tennis. "Cy" came here from Lexington with the intention of enlarging his knowledge, but when hunting season comes, he lays all books aside, and then comes fishing time. Still, we must say he has good intentions.

C. W. PERRY

SOUTH MILLS, N. C.

*Commercial Education Course*

Private, Company B; Philomathean; Rifle Team. "Dizz" came to us from South Mills last year. He says, "If I had stayed there long enough, South Mills would surely get on the map." "Live and learn" seems to be "Dizzie's" motto. We are sure you will learn and we hope you live long.

# DRESS PARADE

W. W. HAZLEHURST

WILMINGTON, N. C.

*Classical Course*

Private, Band; German Club; Philomathean; Bugler. "Bill" is a quiet and likeable chap, and, although he left before the year was over, he has many friends in our midst. His trusty bugle was the cause of much activity. We wish he could be back next year.

J. B. LOPP

LEXINGTON, N. C.

*Commercial Education Course*

First Lieutenant, Band; Football; Monogram Club; Cadet most likely to succeed; Athenian. Lopp was a gift to us from Lexington, and we appreciated it. He is a "two-way man," one way to Oak Ridge, and a wider way to N.C.C.W. Our hats are off to such a fine fellow.

J. E. SPEIGHT

SUNBURY, N. C.

*Scientific Course*

Private, Band; Philomathean. When Sunbury gave up "Tick," she sure did O.R.M.I. a big favor. He is easily one of the hardest working and most conscientious boys of our school, and we hope he'll "toot his horn" in life as well as he does in the band.

# DRESS PARADE

J. W. LAND

HAMLET, N. C.

*Scientific Course*

Private, Company B; Philomathean; German Club. "Nub" hails from Hamlet, where he shone as a scholar. His interest in his studies has been that of the highest type. We are all sure that if the girls will leave him alone long enough he will surely be a success.

J. Y. MONK, JR.

FARMVILLE, N. C.

*Scientific Course*

Corporal, Company B; Philomathean. "Fluffy" is one of those fellows that you like better as you know them longer. He is the same Monk wherever you find him; and this, combined with his good nature, makes him a very popular student. Here's luck to you, "Fluffy."

K. L. THOMPSON, JR.

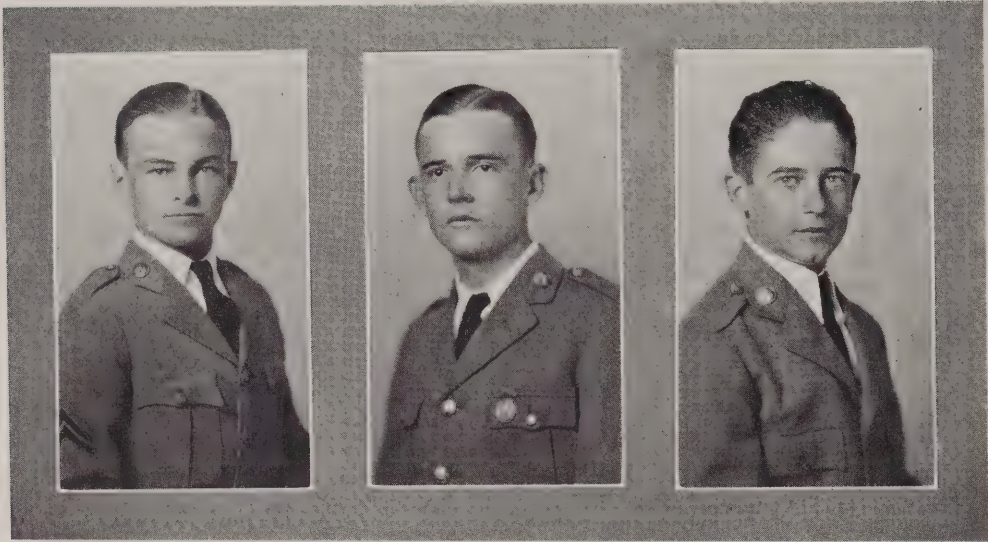

BURLINGTON, N. C.

*Classical Course*

Private, Company B; Athenian; Football; Monogram Club; Term Honor Roll. Tommy thinks there is no town in the world like good "ole" Burlington. Tommy came up this year and made everybody sit up and take notice when the quarter called "Thompson back." Next fall he will most probably be found on Carolina's freshman squad.

# DRESS PARADE

R. M. ELKS

WASHINGTON, N. C.

*Scientific Course*

Corporal, Company A; Athenian; Football; Baseball; German Club. "Rufe" is little, but loud. He showed this on the athletic field by holding his own with the big boys. Fishing is the main industry of Washington and "Rufe" has some fine yarns. We are sure he will succeed in life.

S. A. TWIFORD

ELIZABETH CITY, N. C.

*Classical Course*

Private, Company B; Philomathean. "Nit Wit" came to us from Elizabeth City, which was very fortunate for our school. If he ever finishes the algebra, which to his sorrow he is taking, we are all sure that his life will be a very successful one.

E. C. BYNUM

STANTONSBURG, N. C.

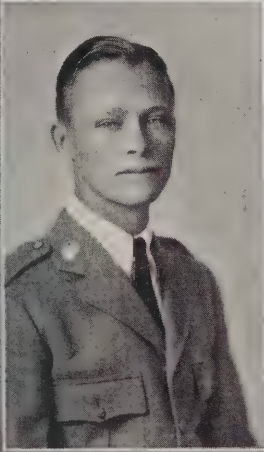

*Scientific Course*

Private, Company A; Philomathean. Council is just a regular fellow. He seems to have lots of business in Wilson, N. C. There are only two things left for Council, matrimony or Duke. O.R.M.I. wishes him much luck and happiness.

# DRESS PARADE

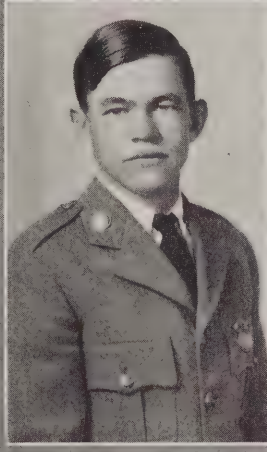

J. D. O'NEAL

PACTOLUS, N. C.

*Scientific Course*

Private, Company B; German Club; Athenian. J. D. during his stay here has made a host of friends. Last year he worked on a silver fox farm in Michigan, and may raise foxes as a lifetime occupation. Whatever he does, we feel sure he'll be a success.

J. M. HAMILTON

CHARLOTTE, N. C.

*Commercial Education Course*

Private, Company A; Athenian; Football; German Club. Jim hails from Charlotte, along with some other good athletes and noted campus characters. While here Jim was one of the most popular boys we had, being also a member of the great triumvirate of Hamilton, McDonald, and Robinson.

GEO. HAIRSTON

WENONDA, VA.

*Scientific Course*

Private, Company A; Athenian; German Club; Term Honor Roll. "Brainstorm" is nothing short of a mental giant. A few months ago he had to quit school to have an operation, but he's coming back next year. It's a cinch that success is waiting just around the corner for "Brainstorm."

# DRESS PARADE

J. O. WHITE  
COLERAIN, N. C.  
*Scientific Course*

Sergeant, Band; Athenian. "Red" is one of the most comical fellows on the Ridge, but he has serious thoughts at times, it is said. If you want your gray skies changed to blue, see "Red." Colerain is rightfully proud of such a loyal son.

O. L. PLASTER  
LONG ISLAND, N. C.  
*Scientific Course*

Private, Band; Athenian; Orchestra. "Slim" came to us from M.P.C.I., and he is certainly appreciated on the Ridge. We sure do like to hear him toot his saxophone when the band gets "warm and annoyed." Slim, we believe you will get to the top some day.

C. A. BEESON  
OAK RIDGE, N. C.  
*Classical Course*

Private, Company A; Athenian; Term Honor Roll. Arminius is quite diminutive, but he has a large brain and will go far in whatever he chooses, being in possession of an infinite capacity for work. Proof—he is taking Mr. Virgil's Aeneid and making it look sick.

# DRESS PARADE

K. B. LINNEY

BOONE, N. C.

*Scientific Course*

Corporal, Company B; Athenian. "Judge" came to us last year with a good record and has upheld it here. He is one of our big boys and stands out in ranks. Judging from him, we believe that the mountains are a good place to live. He has a quiet disposition, but words of wisdom flow from him.

S. E. GREEN

WELDON, N. C.

*Scientific Course*

Private, Company A; Philomathean. "Shep" came to us from an eastern Carolina town. He is recognized by the boys for his wit and wisecracks. "Shep" seems to have lost something in Halifax, N. C. Probably he is looking for a job as a soda jerker. "Week ends" are his weakness.

W. V. McCALL

LAURINBURG, N. C.

*Commercial Education Course*

Private, Company A; Philomathean; Tennis; German Club. "Mac," although he has been with us but half the year, has won many friends among the cadets. His ability to play tennis won him a place on the team. "Mac," we can see a bright future ahead of you.

## HIGH LIGHTS IN THE HISTORY OF OAK RIDGE

NUMBER 5

*In the fall of 1875, J. Allen Holt, son of John F. Holt, who had spent his youth in this community, returned from Ohio, where he had been for some years at Ohio Wesleyan University and the Ohio Business College, and became the principal of Oak Ridge Institute. In the spring of 1879, he was joined by his brother, Martin H. Holt, who had built up a flourishing local school at Tabernacle, ten miles south of Greensboro. As patronage increased, the building of 1866 was added to. The Chapel was built in 1884 and Holt Hall in 1891.*

## ORGANIZATIONS

## HIGH LIGHTS IN THE HISTORY OF OAK RIDGE

### NUMBER 6

*In early January of 1914, the Chapel, Holt Hall, and the Church on the Campus were destroyed by fire. The dormitories were not burned. The spirit of 1866 was in evidence in 1914. The sessions of the school were not suspended. Rooms in private homes and storehouses were converted into classrooms, and school work went on with a deeper meaning. Difficulties, seemingly almost insurmountable, were overcome and the immortal lesson that true greatness finds its supreme example in the spirit of a people, rather than in might and in power and in material things, was emphasized. Before the ashes had cooled, telegrams came from several towns, offering land and money if the school would move to them. But Oak Ridge Institute, born in northwest Guilford, up among the headwaters of streams that make the great waterways of the state, would have been and could have been Oak Ridge Institute nowhere else, and the kind and generous offers were declined. By the financial assistance of friends and alumni, preparations for rebuilding were made, and on the tenth day of June, 1914, the cornerstone of the new administration building was laid in the presence of a great host.*

## *Athletic Association*

Every boy at Oak Ridge is a member of the Athletic Association. He automatically becomes a member on his entrance in school, and his dues are included in his tuition. The Athletic Association this year is the largest association in the history of the school, due to the fact that the enrollment this year was the largest in the history of the school.

The Athletic Association had at its helm this year the very capable Cadet Major, William Harvey Dixon, Jr., while the financial affairs were handled very nicely by Lieutenant Joseph D. Abernathy. The hardest job of the whole association, that of student manager, fell upon the shoulders of Captain Wesley F. Sheep, who really had a hard job keeping things working smoothly, but Captain Sheep had the ability and used it to good advantage.

All the athletic affairs are handled by the Athletic Association, which means that the athletics are controlled by the students, as it should be, but, of course, not without the much needed advice and suggestions of the faculty and coaches.

## *Dress Parade Staff*

The youngest organization of its kind on the campus of Oak Ridge for the year 1928-1929 is the staff of the Oak Ridge annual, "Dress Parade." For the first time in the history of the school, a staff has been called together for the purpose of giving Oak Ridge Military Institute an annual.

Throughout the entire book it has been the purpose of the "Dress Parade" staff to leave the idea of an annual of the Senior Class and open a new field with a book of the entire student body. With this in view, we have received the cooperation and aid not only of the Senior Class, but of the other classes of the school as well.

We, the staff of "Dress Parade," have done our work to the best of our ability. We now leave it for our readers to decide whether our ideas, and our plans for carrying these ideas out, have been a success or a failure.

## *The German Club*

This famous organization at Oak Ridge is not, as many think, a club for the benefit of the students taking German. The fact that many new men consider German a necessity to become a member of the German Club is a standing joke on the "Ridge," because the German Club is a dance organization.

Its dances are widely known in this and surrounding states, the Club never having had one that was not a success. In previous years the policy of having different popular orchestras has been followed, but this year we have had our own orchestra play all of our dances except the "Finals." This orchestra has been a big help in the success of this year's dances.

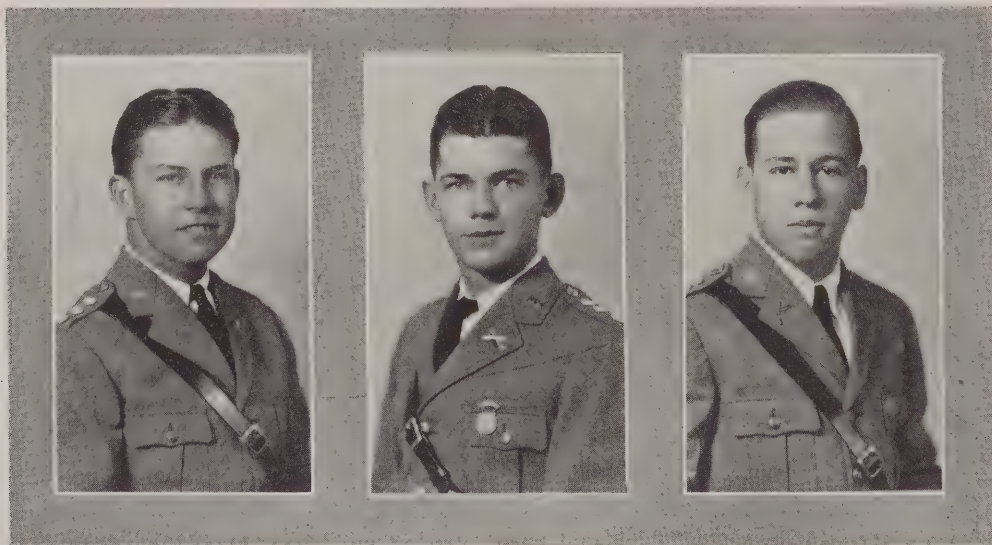

Our ability to draw crowds of beautiful girls is the envy of similar organizations in this locality, and we are proud of the reputation of being able to have real dances. Our policy is to have at least five and not more than eight dances a year, including the "Finals." These dances in many cases serve as a get-together event, in that they cause many former members to attend.

The German Club is one of the most popular organizations on the campus, having among its members many of the outstanding men of the cadet corps. Its members make many pleasant contacts with local girls and boys that make their stay at Oak Ridge much more pleasant. This year's organization is proud of its triumphs, and we hope that next year the German Club will be a greater success than ever before.

## *The Officers Club*

The Officers Club is perhaps the most exclusive organization on the Ridge, inasmuch as it includes in its membership none but commissioned cadet officers. While it is primarily a social organization, it has a background of serious purposes and high ideals which justifies its existence. The purpose of the Officers Club is to promote good fellowship and friendship among its members, and, by the exchange of views and opinions, to help the members to solve the problems which they meet in their daily duties.

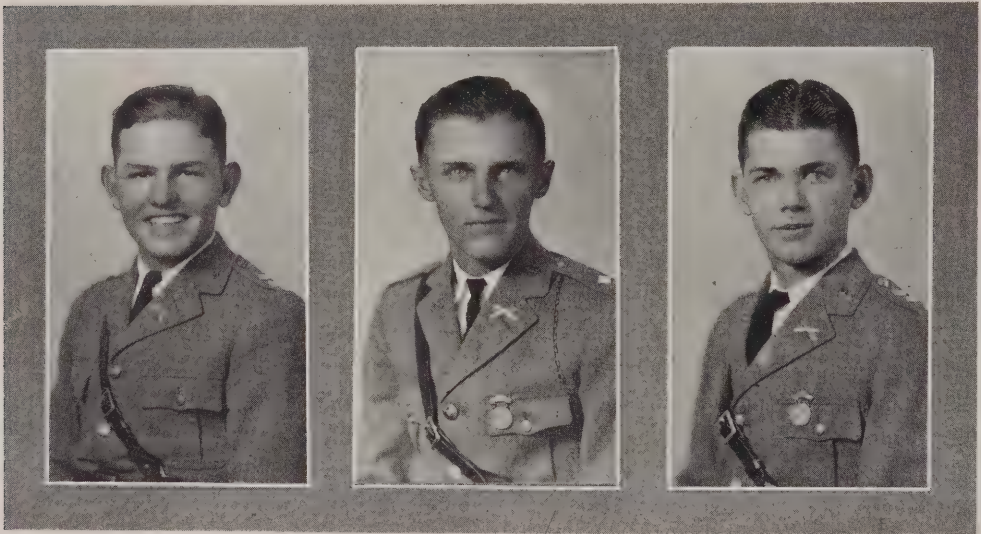

The club meets every Thursday night. Refreshments are usually served, and military matters are discussed. The club has regulations governing the conduct of its members, and imposes penalties for their infraction.

We believe that the Officers Club is doing real work, and is improving the military efficiency of the cadet corps.

## *The Orchestra*

The Orchestra is a new organization in school this year, and has proved to be a wonderful success not only at Oak Ridge but also in the surrounding cities.

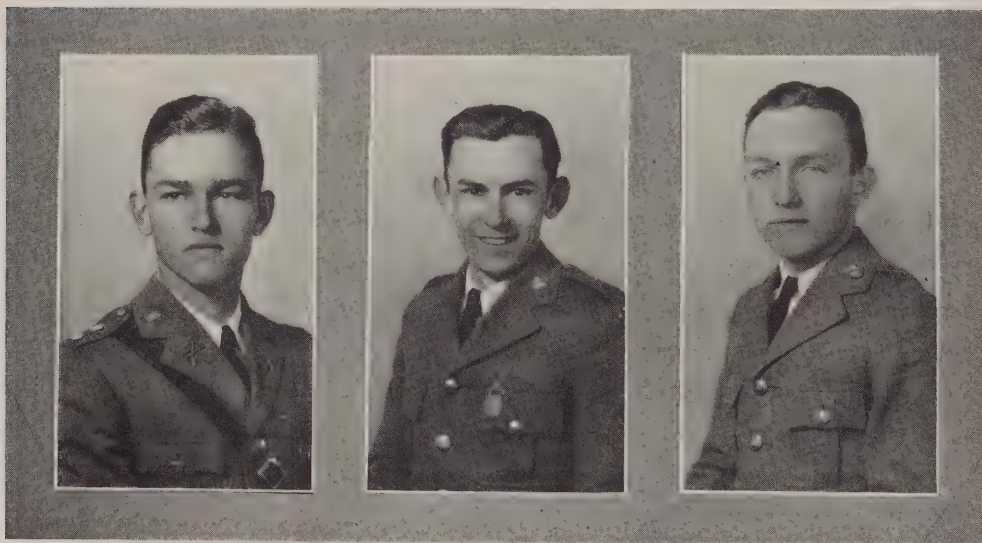

Our late President, Professor T. E. Whitaker, found the Orchestra playing at the famous Mayview Manor, Blowing Rock, North Carolina, under the name of "The Spanish Troubadours." He was so well pleased with their music and peppy organization that he immediately persuaded them to attend Oak Ridge Institute. This organization is, and has been for the past four years, under the direction of Arnold Small, who has proved himself a worthy director.

The work of our cadet orchestra was a great help toward the success of our dances. Their constant "keeping at the job," in order to give us wonderful music, will always be remembered and appreciated; may their fine work continue, and when the boys return to Mayview Manor this summer, we wish them the best of luck.

## HIGH LIGHTS IN THE HISTORY OF OAK RIDGE

### NUMBER 7

*In 1914, the school was reorganized. Ill health forced the retirement of Professors J. Allen Holt and Martin H. Holt, and T. E. Whitaker, who was a student of the school from 1883 to 1886, and who had returned to it as a teacher in 1889, was elected president. Professor Martin H. Holt died on Thanksgiving day, 1914, and Professor J. Allen Holt, in June, 1915.*

*In 1917, the school became military, under the supervision of the War Department. In 1922, it became a junior unit of the Reserve Officers' Training Corps, and Colonel Oliver F. Snyder was detailed as Professor of Military Science and Tactics.*

## *Cheer Leaders*

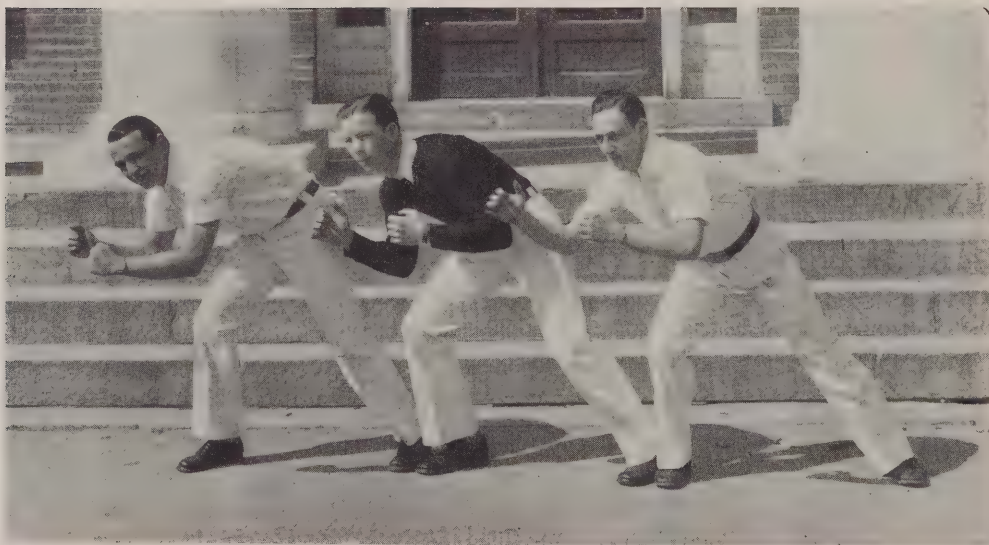

"Nub," "Beef," and "Nurk" had more to do with the instilling of the "never say die" spirit into the various teams representing Oak Ridge than any other trio in school. When the team was on the field, these three pep dispensers were always on hand to give the wearers of the red and blue that extra bit of energy which is so necessary to a winning team. When spirits seemed to lag, a rousing cheer was always ready.

The students and followers of the cadets cannot express their appreciation for the splendid efforts of these three cheer leaders who were the sparks for the fuel called school spirit.

### THE SEASON AT A GLANCE

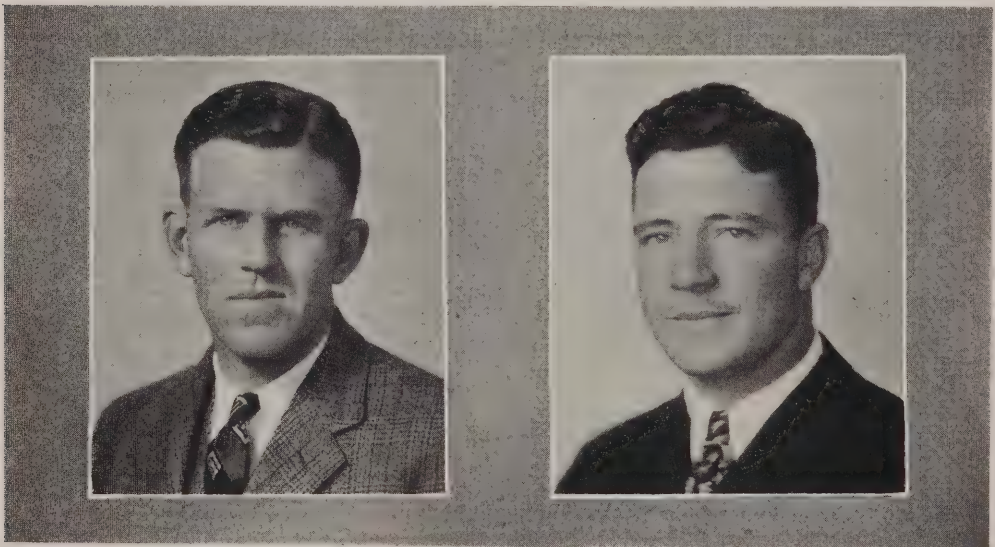

When the call for football candidates was sounded, about sixty men reported to Coaches Weaver, Caldwell and Shuford. Several men from last season were back and the coaches immediately began to build a powerful team around this nucleus. The squad made rapid progress and merged into a husky, fighting eleven by the opening game. In the first exhibition a well oiled, smooth-working machine was put upon the gridiron.

The "Flying Cadets" started off at a sprint and as the season wore on the organization gained momentum. The opposing forces were of no mean ability, but under the splendid influence of Coach Weaver and his assistants the team gained recognition everywhere. Toward mid-season the "Flying Cadets" were basking peacefully in the limelight and were recognized as one of the greatest prep. school elevens ever to don the moleskins.

As the scores will indicate, the offensive and defensive powers were unsurpassed by any school of our class in the southern United States. Colleges, college and university freshmen, as well as other institutions of higher learning, were humbled by the powerful onslaughts of the Red and Blue warriors.

Football

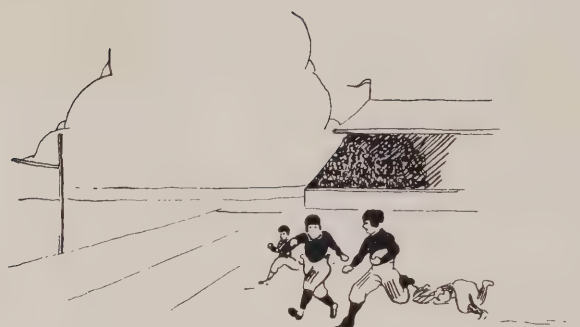

After having passed a season of ten games unmarred by a single defeat or tied score, the “cadets” were hanging up their shoes till the next season, when they were called upon to meet the all-state high school team in a post season game on New Year’s Day. The squad was called in from the Christmas holidays, and after five or six practice sessions journeyed to Mount Airy in a determined state of mind. Against this array of individual stars selected from the best high schools of this state, it was once more demonstrated that perfect team work plus the old Oak Ridge spirit cannot be beat!

## Basketball

The basketball squad was composed largely of experienced players. This was demonstrated when at the end of the season only three out of twenty games had been lost. Under the able tutelage of Coaches Weaver and Cummings this array of stars soon developed into one of the smoothest working combinations that Oak Ridge has ever seen. Only reversals of form, which no team can help, hindered us from ending the season undefeated. The only two games we lost were to college freshmen teams and this was at the first of the season.

After completing the regular schedule the squad left for the South Atlantic Tournament at Washington and Lee University. We won our first game from Charlottesville High School by an overwhelming score. The dope bucket was completely upset by the next game, in which we were defeated by Newport News High School. This team, however, eventually won the tournament.

## Baseball

As this annual goes to press, the baseball schedule has not yet been completed, but indications of early season games point to a very successful season. The fact that Coach Earl Holt, one of North Carolina's best baseball mentors, is at the helm, gives in itself a very bright outlook for the rest of the season.

This baseball team is an exact replica of the basketball and football teams in that there are only three or four veterans back to be used as a nucleus. In spite of this fact, one of the smoothest working combinations ever seen afield at Oak Ridge is expected. As an example, twelve games have already been played, the team having won ten of these and dropped the others to two colleges, who, in, baseball circles, are known to have very fast teams.

It can be said, by the schedule which appears on the next page, that Coach Earl Holt expects one of the fastest teams which has ever represented this institution.

Perk Robinson can testify that many a true word is spoken through false teeth.

Joe Abernathy, to boy entering store:  
"What for you?"

Boy: "Nothing."

Joe ran madly to cash register and rang up "no sale."

Buck Shervette: "Where are you going, Joe?"

Joe Kluttz: "Out to dress parade."

Perk: "Isn't he big enough to dress himself?"

Bill Porter to bright young thing: "Pardon me, has your dress slipped off, or am I seeing things?"

Bright young thing: "Both."

Wes Sheep: "All these girls have on broad belts."

Treepy Townsend: "Belts! Why, man, they are dresses."

Edmondson: "Say, Perk, why the string around your head?"

Perk, with shaved head: "So I can tell when to stop washing my face."

## Alumni

For seventy-seven years Oak Ridge Military Institute has been writing its history in the lives of young men, thousands of whom have attended its sessions. Hon. W. N. Everett, former Secretary of State, in a letter to Professor Whitaker, said: "Possibly the most outstanding men in the community where I live (Rockingham, N. C.) are those who got their early training at your school. They have come to be leaders of men and of industry. Your school has had the great gift of being able to impress itself upon the lives and character of its students. It has not only taught facts, but I think has been able to teach the boys how to translate those facts into the terms of life about them."

What Mr. Everett said of his own community is true of almost every other section of North Carolina. There is perhaps no hamlet so remote that it does not contain an Oak Ridge alumnus. In law, manufacturing, in business, in education, and even in athletics, Oak Ridge alumni have won and retained an enviable place. In the political life of the state they have also played an important part. They are to be found among the superior court judges, and are outstanding members of the general assembly.

(Based on "Seventy-five Years of Service," by T. E. Whitaker.)

## Alumni

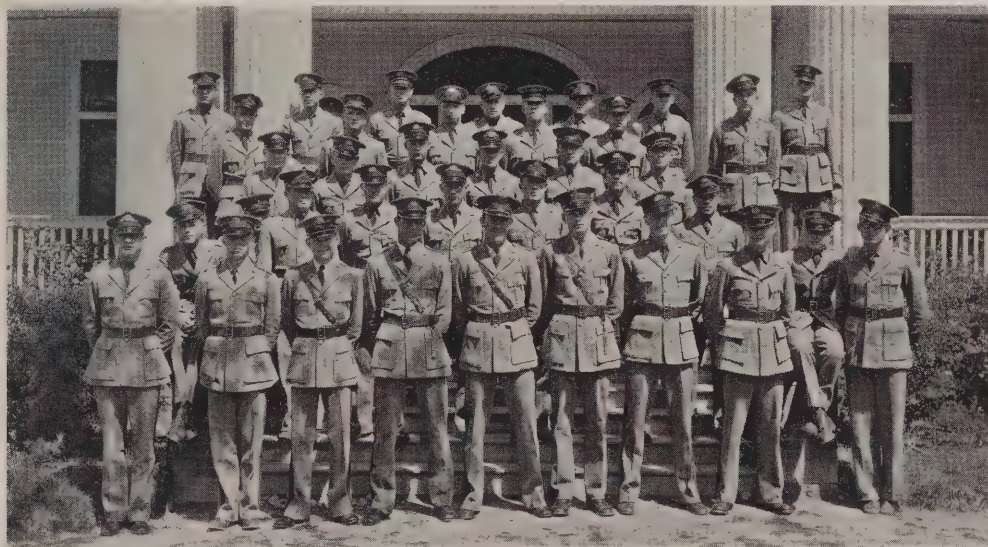

Probably no school throughout the entire south has a body of alumni whose love, loyalty, and patriotism will equal that of this school. Whenever occasion arises, her sons respond to her call with a spirit that is unmistakable in purpose. It is a spirit most deserving of the highest praise. The present administration building, which was erected in 1914, has the following inscription on its cornerstone: "Alumni Building. Erected by Alumni and Friends." In order to help in the undertaking of publishing this the first issue of "Dress Parade," the following alumni have already paid for a copy of the book:

### *Character and Thrift*

Right ideas, right standards, right ambitions—these are the foundation of all the character and all the success in the world.

Life Insurance is thrift of the highest order. It saves our money at compound interest, while creating an estate for our dependents. You have no right to start life without life insurance. It is your most pressing obligation.

## MOTHERS VS. ELECTRICITY

Mother used to be a drudge. There was no help for it.  
Some mothers are still drudges. But they needn't be.

---

### Electricity—The Modern Servant

has knocked the drudgery out of housework wherever it has been given an opportunity. Always on tap, always "a-rearing to go." Electricity today is adding years of brightness and happiness to countless thousands of housewives who have taken the trouble to find out just what electricity can do in the home.
